DanskeHavecentre is a magazine for the members of the association Danske Havecentre. The magazine is published five times a year. The magazine **DanskeHavecentre** is also sent to subscribers and journalists with an interest in gardens.

training, marketing and help develop the industry to modern retailing. **DanskeHavecentre** is an inspiring magazine for the green industry. The magazine is published 5 times a year with inspiring and informative articles on trends at home and abroad, reports from exhibitions and themed articles that focus on topics that are relevant and generate debate in the industry.

Danske Havecentre

Danske Havecentre was founded in 1947 as 'Landsforeningen af Danske Plantehandlere (LDP)' - a trade and interest organization for garden centers and production nurseries in Denmark. The association aims to promote the industry's interests through trade shows,
